Pack 209

Short and Sweet

Phew! It's been a busy fall already at Pack 209, and the newsletter just sort of crept up on me! So this time around we'll just "stick to the facts" as they used to say. (Does quoting *Dragnet* date me?)

I will post some more extensive updates on what we've been up to next month. No really, I will.

This Saturday, November 5 is the pickup day for *Scouting for Food!*

(Sorry, I didn't mean to shout, but I wanted to get your attention.) Meet in the St. Paul's parking lot between 9:30 and 10:00. We will need Scouts on the road by no later than 10 to make our deadline. (Our turnout and last Saturday's bag distribution was a little light, so let's get as many Scouts there this weekend as we can. This is our major service project, let's show it!)

To further entice you to get there, the food collection will be followed by another great picnic! The Pack will supply the "grillables" (burgers and dogs). Check the list to see what your den should bring to go with 'em.

Pinewood Derby cars *should* be on sale at the picnic (\$5.00 each). If not, we will take paid orders and get them to you through your dens.

Save December 3 on your calendars for the Santa Parade!
